

## Time and Talents 2018

**This replaces the former Time and Talent form.**

Our Caring Community Resource Hub is a great communications tool. We invite you to consult it regularly. See what opportunities fit the time you have available, register for programmes, and define and update the skills you'd like to offer.

Let's achieve 100% response in time and talent portion of our congregational giving program!

Please access your profile on the Hub and add one skill or registration. Feel free to add more.

- Go to [www.cedarparkunited.org](http://www.cedarparkunited.org) and click on Caring Community Resource Hub on the menu at the top.
- Scroll down and click on the Log-in link.
- Click on Opportunities to find something new you'd enjoy doing.
- Click on My Profile, then on Additional Info to add a skill.

Can't remember your user name or password? Please contact Elizabeth Chown Lafrenière (ECL) in the Church Office. If any adults or teens in your household don't have a profile yet, a quick call to ECL at 514 695-3337 will resolve that!

Thank you for investing your time, talent and treasure in God's Dream at CPU.

We take photographs of activities at CPU to use on our church website, A/V and brochures. If you do **NOT** want your image to appear, please contact ECL at [cedarparkunited@videotron.ca](mailto:cedarparkunited@videotron.ca). We will do our best to respect your request.
